Paying the WSCC

When do I have to pay my assessment (or premium)?

Your assessment (or premium) payments are due within 30 days of your statement date. If you do not pay your assessment before this date, you are subject to finance charges.

How can I pay?

You can pay your assessment either by cheque payable to the WSCC; cash; debit card; or Visa or Mastercard.

You can print off payment authorization forms for credit card payment.

Are installment plans available?

It depends.

We have installment plans available if:

- your assessment is over $1,000.
- your Personal Optional Coverage is over $1,000.

If you are a term or seasonal account, we require full payment before your contract is complete.

What happens if I don't make my payments?

A number of things may happen:

- We will apply finance charges of 2% per month to your account.
- We may put your account on hold.
- We will respond to Requests for Clearances on your account with a *do not release* or *not in good standing* letter.
- We immediately cancel your Personal Optional Coverage.
